Two Professional Hockey Games in West For Tonight

Saskatoon versus Cougars—Regina Plays Seattle at Winnipeg—Edmonton Lay off Until Next Monday—Tigers Play Maroons on Friday

Tonight two games only are played in the two western professional hockey leagues. The Saskatoon Cougars are acting as hosts to Victoria Cougars, while the Regina Capitals and Seattle Stars are performing at Billy Hovell Amphitheatre risk for the benefit of Winnipeg. This latter game is a regular inter-league game transferred from Seattle to Winnipeg. Therefore, Regina only plays Seattle once at Seattle.

Duke Lands Crowns

Duke Kruza had a taste of the Saskatoon team on their home ice last Saturday, and he is of the firm opinion that News's rebuilt team is going to be as difficult to beat on their home ice this year as any team in existence. Duke said that the Cougars are playing the best hockey this year and will be a team to contend with before the season is over. This being the case, it would not be surprising to see the Cougars humbled this evening. The Cougars trimmed the Regents 7 to 1 at Victoria, but News has got a new system since then, and his boys will take a lot more beating than they did on November 26th.

Edmonton Lay Off

The Edmonies are idle until next Monday as for league games are concerned. In that period they will have a chance to recuperate from their strenuous series of exhibition games and also to round completely into shape. No one can conscientiously state the Eds for getting the short end of the score Monday. The ice was primarily to blame, but even if the ice had been good, with after the strenuous amount of playing and travelling they had done seemed almost too good to be true. But now they have a week to rest up in and to perfect their system of attack. By that time Duke Kruza ought to be well again and ready to start at right wing. The rest of the team are in fine physical condition and only need a little rest to get them on the track towards the top of the league again. It's a cinch they're going to get that, and when they do it will take a powerful lot of mighty fine playing to dislodge them, then.

Tigers Play Friday

The Calgary Tigers arrive back in Cowtown Wednesday afternoon and there await the coming of the Vancouver Maroons. When the Tigers and Maroons played in Calgary last year the Tigers tossed out a 1-0 victory in overtime. That is the best record they have in the league, but don't expect it to go into overtime. The Tigers should win, but though they are at present at the bottom of their league, the Maroons are generally considered to be the strongest club in the coast loop, so they may take a fall out of Lloyd Tigers' pride.

Inter-League Games

So far this year there have been nine inter-league games between the W.C.M.L. and the P.C.M.L. The coast teams have the edge on the results so far. Saskatoon has been beaten three times by Vancouver, Seattle and Victoria; the Tigers have been beaten by Vancouver, and the Eds have been trimmed by Victoria. The Tigers beat Seattle and Victoria and the Capitals trounced Seattle. Saskatoon drew one game with Vancouver. This gives the coast loop five wins and a draw, and the W.C.M.L. three wins and a draw. The prairie teams are making a little showing against the coast teams this year and it is more than likely that before the season is ended the prairie teams will have the edge in number of games won in the inter-league series.

National League Club Owners Pledge Support For the Season of 1924

Resolutions Passed Approving of Fearless and Impartial Decisions of Commissioner Landis—Rogers Horshy Much in Demand

CHICAGO, Dec. 11.—Peace within the major league ranks over the administration of Kenesaw Mountain Landis, baseball commissioner, was assured for at least 1924 when the club owners of the National League adopted resolutions pledging the continuance of their loyal support and unqualified approval of his administration.

The National League owners in the resolutions approved the fearless and impartial decisions rendered by Commissioner Landis. Other high spots in today's meetings of baseball owners of major and minor league clubs included:

Premier King Says Cabinet Will Insist on Finding Taking a Rest

OTTAWA, Ont., Dec. 11.—Cabinet colleagues of Premier King, who insist that the minister of finance should not leave his post until he has found a suitable successor, have today agreed to carry on the finance work of the government until a suitable successor is found.

The announcement was made tonight by Premier King at a banquet given at the Hotel Macdonald in Ottawa. The guests included the members of the cabinet and the members of the House of Commons.

"I wish," said the premier, "to make an acknowledgment of the fact that the cabinet has been carrying on the finance work of the government for some time past. I am sure that the public will appreciate the fact that the cabinet has been carrying on the finance work of the government for some time past."

NEW POLICY OF IMMIGRATION DECIDED UPON

Canadian National Will Adopt
Aggressive Measures to
Secure Settlers

MONTREAL, Dec. 11.—According to a statement issued this morning from Canadian National headquarters, an important and definite policy of immigration and colonization has been decided upon by the department of immigration and colonization of the Canadian National railway, as a result of a series of conferences held last week at several headquarters here. This meeting, which was presided over by W. B. Robb, vice-president in charge of the department, was attended by officers of the department from all parts of the system.

The policy as announced, which follows closely the general scheme outlined some months ago by Mr. Robb, provides for the bringing to Canada of suitable settlers and also for the careful selection of these settlers from the point of view of their adaptability and for the protection of their interests after their arrival in the country. In this latter particular, the assistance of the railway station field service of the federal government is to be requested. Attention has been given also to the need of developing colonization in the south of Great Britain and a clear organization is to be developed in this regard with the agricultural and other departments of the government. It is stated that so many boys and girls are available from the British dominions of age ready to be placed in homes in this country, that the Canadian National will have an opportunity of acquiring them with the agricultural and other departments of the government.

The policy was decided upon, the statement says, after many months of organization and investigation.
